1) The point involved in this case is that the expenditure of the Municipal funds is proposed to be incurred for relieving the sufferers from an accident outside the Municipal limits This is against the fundamental principle that the moneys realised within the Municipal should be utilized within the limits of the Mcty.

2) The D C therefore recommends sanction to the request of the Bhadravati Municipality as a special case. Having regard to the fact that the amount is small & that it is to

2 The Municipal Council after discussing the subject in their meeting held on 2-6-41 have resolved that a sum of Rs 100/- may be granted to afford relief to the sufferers, the cost being met out of the closing balance

3 In the circumstances, I request you to kindly obtain sanction of Government for granting a sum of Rs 100/- for providing rel: to the poor sufferers in the shape of clothing to the homeless, as a special case

Sir

With reference to your letter No L 187/ dated 10th July 1941 on the above subject, I have the honour to state that the Central Distress Fund Committee Bangalore have in their Order c R 89/R M 8-40-30 dated 4th July 1941 sanctioned a sum of Rs 500/- for distribution among the sufferers in the accidental fire at Bhadravathi

2 In this connection I may state that 88 families of Veddars have suffered in the recent accidental fire Of the amount now sanctioned by the Board each family will get a very small amount viz Rs 5-10-0 In consideration of the heavy loss sustained by them I request that sanction of Government may kindly be obtained for the grant of Rs 100/- proposed by the Municipality for distribution among the sufferers as a special case Though they are living outside Municipal limits all of them are working in the Town and are solely depending upon the Town for their livelihood They are thus practically citizens of Bhadravathi
